

MONASTIC FELLOWSHIP OF SAINT BRENDAN'S
Application to be received as a
FRIEND of Saint Brendan's

This application is your formal request to be received as a **FRIEND** of the Monastic Fellowship of Saint Brendan's. To be a Friend of Saint Brendan's means that you feel called of the Holy Spirit to become familiar with lay monasticism and monastic spirituality, exercise that spirit in your life, and support the vision of Saint Brendan's through your prayers and support.

Marital Status: Single () Married () Divorced () Widowed () Other () _____

If married, does your spouse fully support your desire to be received as Friend of Saint Brendan's? Yes () No ()

If no, please briefly describe the circumstances (this does not automatically disqualify you, but we will contact you to personally discuss how this may impact your desire):

Name of your local church or fellowship: _____

Church business address: _____

Is your church an independent congregation? Yes () No ()

If no, with what denomination or communion is your congregation affiliated?

I have read the information brochure and the overview of Membership Goals and Expectations. I understand that my obligations are voluntary at this level. However, I will share what I learn about lay monasticism with others in my local congregation and support the work of my church through a life of prayer and intentional holiness. I also understand that my application fee is a part of how I will share in the ministry of the Monastic Fellowship of Saint Brendan's. As a result of this fee (and the annual membership renewal fee) I will be placed on the newsletter mailing list and I will have access to additional monastic formation materials, reading lists, and study guides as I desire, and that I may come to the Saint Brendan's Priory House for personal retreat. I also understand that, should God call me to a deeper level of membership, my time as a Friend has served as the introductory level to the Oblate program.
